## 2. Q&As in SUPPORT DESK sessions

Q: How can I speak accurately with clear English?

A: PPP (Practice, practice and practice). The more you practice, the better you become. Create opportunities for you to communicate with native English speakers.

Q: How can I use non-verbal skills effectively?

A: First, you must have your hands free and your eyes focused on the audience. By doing this you can use powerful body language and gestures to impact slide and word content.

Q: How can I improve English pronunciation?

A: You can do this in the lesson with a native English speaker or by breaking the word into syllables and practicing by yourself.
